## Policies

- YOU WILL ONLY BE CALLED BY AN INSTRUCTOR WHO WILL TRY TO SET SOMETHING UP WITH YOU. IT IS VERY POSSIBLE THAT YOU WILL NOT BE ABLE TO GET PRIVATE LESSONS, AND WE RECOMMEND TRYING OUR REGULAR LEARN TO SWIM CLASSES.
- Upon receipt by the front desk staff, a Private Swim Coordinator will review the request, and your request will be processed in the order it was received. Please allow at least 2-3 weeks for us to contact you.
- Requests are processed in the order they are received. Due to high demand, the waitlist can become quite long. Our staff will be happy to assist you in finding a group lesson. Please note: The waitlist could be as long as 90 days after initial processing.
- We will attempt to place your child with an instructor based on the availability you provide. We appreciate your flexibility.
- Payment is required before the first lesson.
- At least 6 hours cancellation notice is required to be given to your instructor or the aquatics management staff if not, you will be charged for a lesson.

☐ I have read and understand the policies pertaining to Private Swim lessons as described on this form. Initials \_\_\_\_\_ (Requests will not be accepted or processed without acknowledgement)
